Sweigert v. Goodman, 23-cv-05875-JGK
Associated action: 23-cv-06881-JGK

U.S. Magistrate Judge Honorable Valerie Figueredo
U.S. District Court
for the Southern District of New York
500 Pearl Street
New York, N.Y. 10007
Via ECF filing

SUBJ: REQUEST for non-public call-in conference telephone number per ECF no. 68,
or in the alternative, a postponement

Dear Judge Figueredo,

1. You have scheduled a pre-motion conference at 11:00 am, Tuesday on November 28th, 2023 as outlined in ECF no. 68.
2. The Plaintiff herein requests either a (1) postponement or (2) a non-public telephone access number to support this hearing.
3. Recent disturbing events indicate that a public telephone hearing will compromise the rights of the Plaintiff to a fair trial by impacting the Plaintiff's safety. Given Defendant Jason Goodman's propensity for outlandish public social media stunts involving telephone communications, it is assumed that Mr. Goodman, or his overseas proxies, will misuse the audio portion of the telephonic conference to upset the fair administration of justice.
4. On November 15, 2023 Mr. Goodman posted an X CORP / Twitter tweet (with accompanying video) that showcases the work place and web-site employee directory for "David Sweigert" at the U.S. National Institute of Health (N.I.H.). Simultaneously, Mr. Goodman published a video podcast on the Google YouTube platform in which Mr. Goodman's accuses the Plaintiff of operating a group of clandestine operatives that made an attempt on his life in Nevada. He has also accused the Plaintiff and District Judge Valerie E. Caproni of treason (see attached) deserving the accompanying death penalty.
5. The X CORP. / Twitter posted video contains Mr. Goodman's voice leaving a voice mail questioning the holder of the N.I.H. voice mail (David Sweigert) about his involvement in N.I.H. research projects apparently related to "misinformation" studies. The voice mail voice identified the box holder as "Sweigert, David, NIH" in a computerized audio voice.

6. In a video podcast published October 24, 2023, Mr. Goodman displays the Plaintiff's photo (likeness), and the name and the work phone number of "David Sweigert", see below.

7. Mr. Goodman states in his podcast video of November 15, 2023 that "the sooner the [Plaintiff] leaves the planet the better". See below.

8. Another video podcast repeats statements that the Plaintiff is a criminal (see below).

9. Mr. Goodman's rhetoric indicates that he is inciting a "cyber mob" to attack the Plaintiff. This is similar to the conduct that Mr. Goodman displayed in prior litigation against a young mother known as Nina Jankowicz and her colleague Ben Wittes (see attached exhibit) that resulted in a pre-filing order (attached).

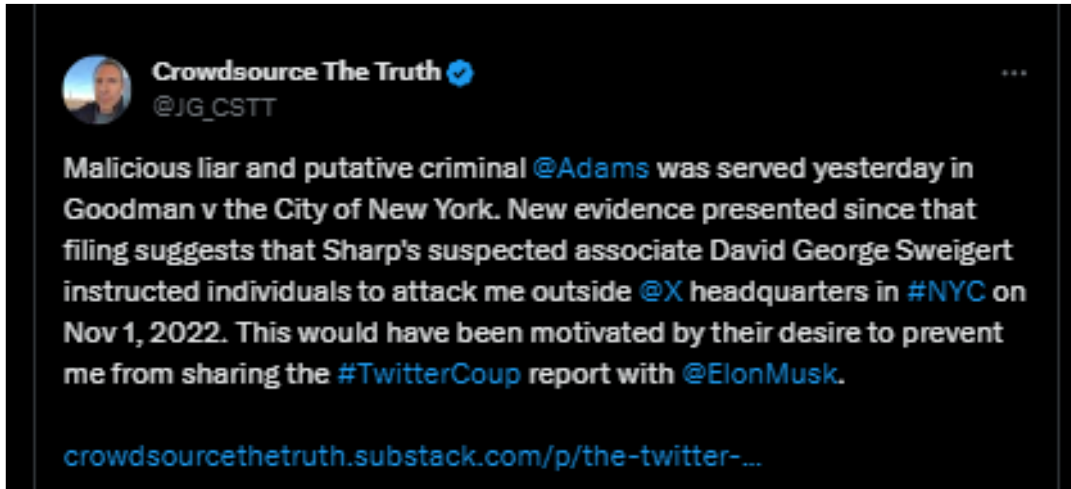

10. The totality of these recent events has placed the Plaintiff in great apprehension concerning a Court public telephonic conference in which Mr. Goodman, or one of his many overseas social media proxies, can rebroadcast the proceedings of the Court. Therefore, a non-public dial-in number for the hearing is hereby requested.

Respectfully, Signed 11/18/2023
